Re: Official Information Act request – Name of laboratory who provided tests for the Pullman Hotel cases

I refer to your Official Information Act request dated 28 January 2021 requesting the following information:

Under the OIA I ask:

- **The name of the Laboratory company(s) that provided the covid tests to the three community cases from the Pullman Hotel, announced in the last few days, while they were in the hotel.**
 - **I ask also the name of the company(s) that did their tests once they left the hotel.**
- 1. The name of the Laboratory company(s) that provided the covid tests to the three community cases from the Pullman Hotel, announced in the last few days, while they were in the hotel.**

LabPLUS (Auckland District Health Board) performed the test on the swabs received from the Pullman Hotel.

- 2. I ask also the name of the company(s) that did their tests once they left the hotel.**

One specimen was processed at Labtests; the other two were processed by LabPLUS.
