

**Our role at Auckland DHB is to support people's health and wellbeing. We are encouraging you to get the vaccine because we know this is our best chance of eliminating COVID-19.**

## **Here's what you can do to help eliminate COVID-19:**

- Scan the NZ COVID tracer app wherever you go
- Keep up with good hand hygiene
- If you develop any COVID symptoms, get tested and stay home until you receive a negative result
- We encourage everyone to get the COVID vaccine, when it's your turn

**Please use trusted sources like the Ministry of Health for information about the vaccination.**

# **What if I feel unwell after my vaccine?**

The vaccine may cause minor side effects in some people. These are usually mild and don't last long so you will still be able to work.

If you are concerned about side effects, call Healthline on 0800 358 5453.

**If you require  
information in  
another language,  
please ask**

**Please have your  
NHI number  
ready.**

Don't have it? No  
worries! Check-in might  
take a little longer.
