Re: Official Information Request – List of suburbs with COVID cases

I refer to your official information request received by the Ministry of Health on 20 October 2021 and transferred to us on 30 May 2022, seeking the following information:

“Over the last two days the Prime Minister has told us that there are 124 suburbs that have current covid cases. Please let me have a list of those suburbs.”

I am responding on behalf of the Northern Region Health Coordination Centre (NRHCC), the COVID-19 response and vaccination team set up by the Northland, Waitematā, Auckland, and Counties Manukau District Health Boards (DHBs).

Please refer to the list below of 124 Auckland suburbs with COVID-19 cases in the 14 days preceding 18 October 2021.
