Official Information Act request – Rapau te Ahuru Mowai/Homelessness Transitions Pilot Initiative – Our refs: HN20002110 and 20220712-1263

I refer to your Official Information Act request dated 12 July 2022, requesting the following information:

Please provide copies of briefings, memos, reports, presentations, correspondence, or other key documents held by the co-directors of mental health services, created since the start of 2022, that relate to the Rapau te Ahuru Mowai initiative, the homelessness transitions pilot.

If it helps to avoid unnecessary research and collation, I'm not seeking an exhaustive search that turns up every document with a glancing mention of the subject, but key documents that are substantially about the initiative and provide an insight into its progress. I will be happy to discuss refining the request further once you've completed your initial scoping if it will help facilitate a timely response.

Response

Please find attached the minutes of all of the Governance Group meetings held in 2022 for this project. These minutes include the reports from the Project Manager. We have followed your suggestion to avoid unnecessary research and collation and are providing documents that are substantially about the initiative and give an insight into its progress. Please note we have redacted several phrases in several places in the minutes where individual patients are mentioned in a way that might make them identifiable if these minutes were not redacted. We do so citing s9(2)(a) Official Information Act – to protect the privacy of natural persons.

You are entitled to seek a review of the response by the Ombudsman under section 28(3) of the Official Information Act. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the the Toka Tumai Auckland website.

Ngā mihi,

Dr Michael Shepherd

Interim District Director
