MRI & CT Data**

Thank you for your email of 2 September 2022, asking for the following information under the Official Information Act 1982 (the Act):

- *Number of MRI machines within your DHB (split by number per hospital, if relevant)*
- *Number of CT scanners within your DHB (split by number per hospital, if relevant)*
- *The year in which each of your MRI machines was purchased (in order to calculate age of machine)*
- *The year in which each of your CT scanners was purchased (in order to calculate age of machine)*

If calculation of each machine's age (MRI & CT) is not easily done then an average age of machines, by MRI & CT, is an acceptable alternative.
